

In a world of digital news, World Book *Advanced* gives high school students and adults a reliable source to check the facts. *Advanced* is a powerful reference tool that includes full encyclopedic and multimedia databases supplemented with online books, primary sources, special reports and more.

WHO IS ADVANCED FOR?

Tailored for the needs and skills of students in grades 8 and up, *Advanced* includes a streamlined design, access to historical documents, and important news updates.

WHAT MAKES ADVANCED A GREAT RESOURCE FOR HIGH SCHOOL STUDENTS?

Alongside thousands of articles, media, special reports, and more, *Advanced* has many features designed to enhance the research process and enhance global awareness and critical thinking.

WHICH FEATURES SHOULD I KNOW ABOUT?

- Tools to ensure all students can access the content available, including the read-aloud function, translation tools, and more.
- Content presented in many different formats, including special reports, resource guides, Back in Time articles, and more.
- **My Research** offers a personal, digital tool to stay organized, allowing users to compile content that can be accessed from home or school.
- **Pathfinders** of pre-generated content sets aid in research and subject matter understanding.

WHAT ARE THE BEST FEATURES TO USE AT HOME?

- **In the Headlines**, a live newsfeed that can be set to one of the following sources: BBC, CBC, CBS, NBC, Newshour Extra, Washington Post, Yahoo News.
- Research tools, including world resources, a citation builder, dictionary, and resource guides, help users compile the data and information they need to complete their assignments and background research.
