

Discover offers foundational content on a variety of topics in a format that is perfect for differentiation.

WHO IS DISCOVER FOR?

Discover's engaging reference resources are ideal for students reading below grade level because of language or learning difficulties, with content and tools specifically developed for these students.

WHAT MAKES DISCOVER A GREAT RESOURCE FOR MY STUDENT?

Discover makes content more accessible to readers of all levels and help differentiate instruction in any learning environment.

- *Discover* features two reading levels for each article: a simplified article and a detailed article. Users can easily toggle between the two reading levels with the click of a button!
- Users can translate articles into 100+ languages or have them read aloud in English.

WHICH FEATURES SHOULD I KNOW ABOUT?

- Research tools such as **How to Do Research** and **My Research** help users navigate the research process and digitally organize sources.
- The rich, interactive **Life Skills Center** offers practical tips on such topics as applying for jobs, budgeting, arranging housing, health care issues, social skills, and more.
- *Discover* integrates with **eBooks**, if included in the subscription. Users can find relevant eBooks linked to an article as well as in their search results.

WHAT ARE THE BEST FEATURES TO USE AT HOME?

- Hundreds of educational **games** & awards. Users can earn awards by playing games or compete to beat their own best score!
- **World Book Explains** videos, which feature experts answering questions on high-interest topics.
