Titles in this collection are for all ages

Emerging Reader Collection

The Early Reader Collection offers titles for emerging readers in the earliest elementary/primary grades. Most titles aimed at grades K-2 have read-aloud and word-by-word highlighting while others feature videos and other interactivity meant to engage readers and aid in contextual understanding.

Grade ranges: K-2 and K-3

Beginning Reader Collection

The Beginning Reader Collection is for early researchers looking to find information about a specific topic. This collection include titles about many different types of animals, graphic novels on science and math, and tales through time all aimed at this younger age range.

Grade ranges: K-6, 1-4, and 3-5

Advanced Reader Collection

Readers who are looking for more in-depth and comprehensive information about a topic should subscribe to the Advanced Collection. Series in this collection include books Documenting History, Exploring the Universe, Early Peoples of the World, and Inventions and Discoveries.

Grade ranges: 3-9, 5-11, 6-9, and 8-12

Open Access Titles:

World Classic Collection

Titles from authors such as William Shakespeare, Charles Dickens, and Charlotte Brontë are included in this vast collection of classic books.
