

## ADVANCED

- Primary sources underpin advanced lesson plans and assessments for classroom support
- Pathfinders of pre-generated content sets aid in research and subject matter understanding

Features a **digital saving tool** where articles and media can be stored for later use.

### In the Headlines

Located at the top of the home page, our In the Headlines feature brings you the latest news from around the world, covering breaking news in markets, business, politics, technology, and more!

### Citation Builder

Helps students properly credit such information sources as books, newspapers, blogs, podcasts, journal articles, and more. Cite sources in MLA, APA, and Harvard formats.

### Teaching with Documents

Lesson plans already developed for you! Our Teaching with Documents feature includes lesson plans designed to broaden students' analysis of primary source images.

### WebQuests

WebQuests capture students' imaginations and allow them to explore in a guided, meaningful manner. Found under Educator Tools, they are print-and-do activities designed to help build foundational knowledge by taking users on grade-range-correlated expeditions through World Book Online.

Access 600+ global newspapers and thousands of government websites for perspectives on issues around the world.
