

EBOOKS

- An on-the-go digital library with unlimited simultaneous access makes this perfect for classroom use, in after-school programs and summer school, or for homework help
- Titles support all reading levels and cover the entire curriculum

Support classroom instruction and library reading initiatives with **2,500+ eBook titles** and **200+ downloadable quizzes!**

Categories

Easily browse thousands of eBook titles in such categories as Technology and Engineering, Health and Human Body, and Cultures of the World. Now featured in easy-to-find tabs across the top of your screen.

Favorites

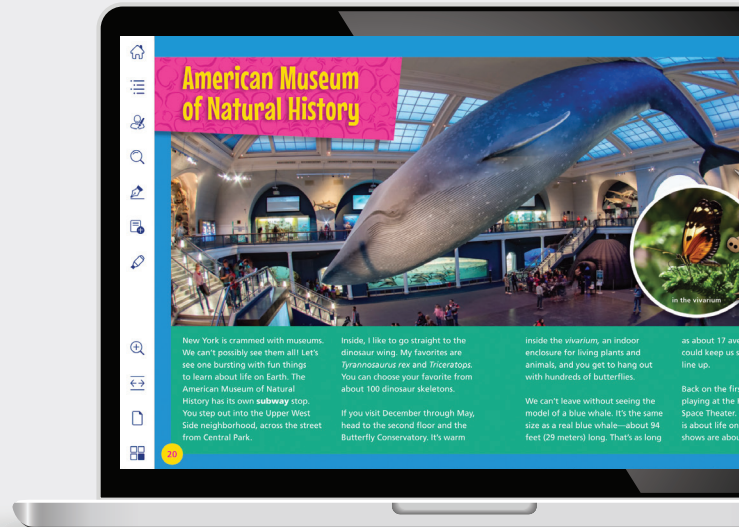

Keeping track of your favorite titles is simple! Simply tap the star in the upper right-hand corner of any eBook in your library, and it will automatically appear in your Favorites section.

Recent Activity

Look back on your recent activity and remind yourself of titles that caught your eye or piqued your interest through the Recently Viewed feature.

Unlimited Access

With 24/7 unlimited, simultaneous access and unlimited renewals per book per user, eBooks are available anytime, anywhere, and feature a free app that is compatible with all Apple, Windows, and Android devices.

Notes, highlights, drawings, and bookmarks are automatically saved to a user's My World Book account.
