

HOW TO ACCESS LIVE HOMEWORK HELP

World Book has partnered with one of the most experienced tutoring companies in the nation to offer on-demand, one-to-one, live homework help and academic support for 3rd-12th grade.

From tackling tough homework assignments to studying for a big test, these highly vetted tutors are available instantaneously after school and on weekends.

Click on **Live Homework Help** from the Super Home Page.

You can also find *Live Homework Help* under **Quick Links** in *Student*.

Live Homework Help

Stuck on a hard math problem? Need some advice on how to organize your research paper? We can help with that!

World Book's one-to-one homework help feature will connect you to a live tutor to help you with your homework. First, make sure you are logged in to your My World Book account. (Don't have an account yet? [Go ahead and create one](#))

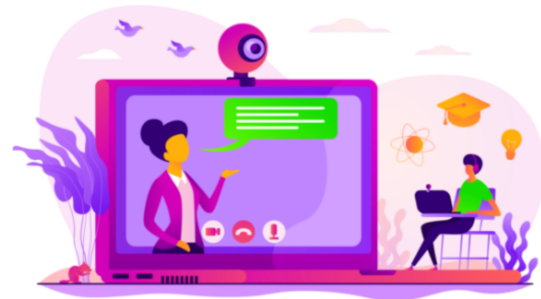

Select the grade you are in from the drop-down menu below, and then pick the subject you're working on and we will connect you to a live person to help you.

Pick a grade and subject

Math ▾

GET HELP NOW

Pick a **grade**: use the drop-down menu and click on the grade you are in.

Pick a **subject**: use the drop-down menu to pick the subject you need help with.

Once you have selected a grade and subject, click **Get Help Now**.

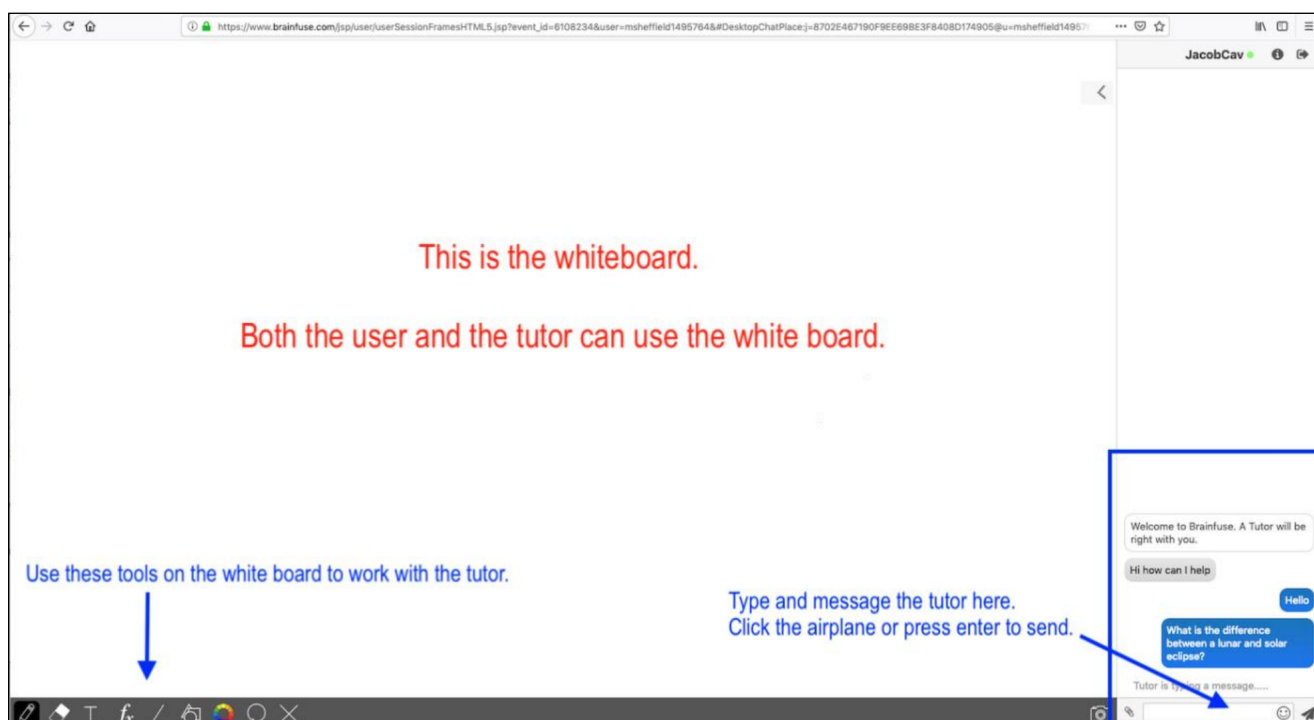

Note: If you are not already logged in to your **My World Book** account, you will be prompted to login. Enter your username and password, then click Log in.

If you do not have a **My World Book Account** account, you need to create one.

1. Click Create an Account
2. Follow the on screen instructions to create an account.
3. When you are finished creating an account, log in using the Username and Password you just created.

The virtual classroom will open to connect you with a live tutor. Once they say something, your session has started. Type to them and receive live help!

This is the whiteboard.

Both the user and the tutor can use the white board.

Use these tools on the white board to work with the tutor.

Type and message the tutor here.
Click the airplane or press enter to send.

Welcome to Brainfuse. A Tutor will be right with you.

Hi how can I help

Hello

What is the difference between a lunar and solar eclipse?

Tutor is typing a message.....
