

# How-to Access Wizard Student Edition

1

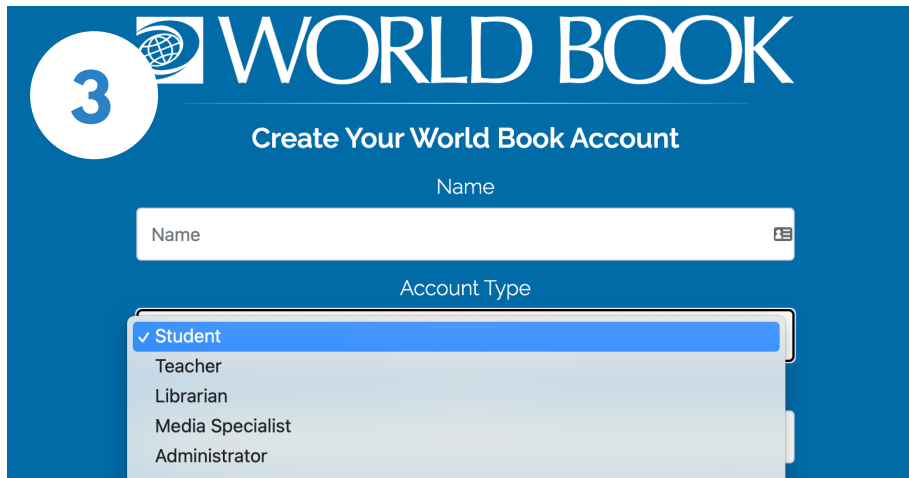

Look for this icon on your school website or computer. Click on it to open Wizard.

2

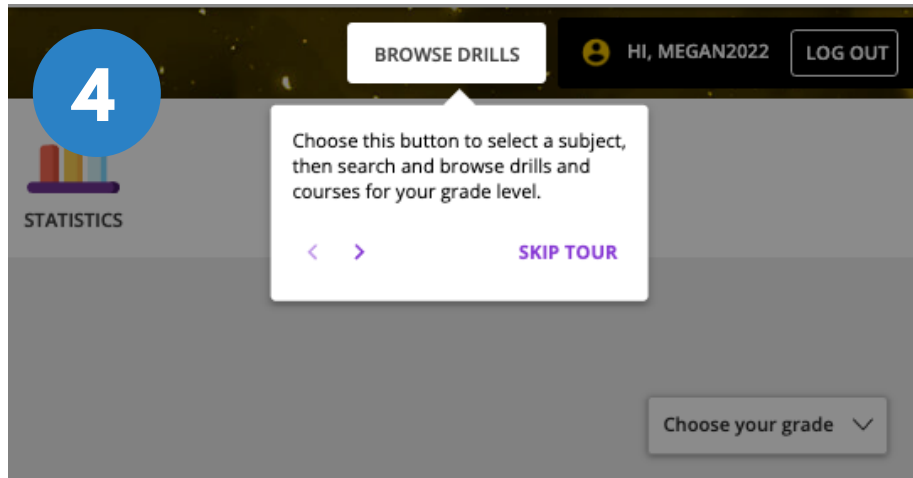

If you are not already signed in to your account, you will reach this screen. Log in to your My World Book account to continue.

3

If you do not have a My World Book Account, click **Create an account**. Make sure to select **Student** as the account type.

4

Your very first time logging in there will be a guided walk-through to help you learn your way around. Click **the arrows** to learn more.
