

RELIABLE RESOURCES TO SUPPORT WOMEN'S HISTORY MONTH

TIMELINES

Learn about concepts in a new way with interactive timelines! With a **My World Book Account**, students can edit timelines, add events, or create their own. A fun, project-based way to dive in to women's history.

WEBQUESTS

Send students on a guided quest through relevant topics like the Women's Movement or Women in Science.

Available under Educator Tools in *Kids*, *Student*, and *Advanced*. Or, flip the activity and have students design their own quest for a classmate to complete.

- Search for content in *Kids*, *Student*, and *Advanced*.
- Visit the Women's collections found in the **Biography Center** in *Student*. Or look up figures in **Important People**, found in *Kids*.
- Share a text from the Biographies & Autobiographies or History categories found in *eBooks*.
- Stay up-to-date with articles in **Behind the Headlines**.
