

 **Early Learning**

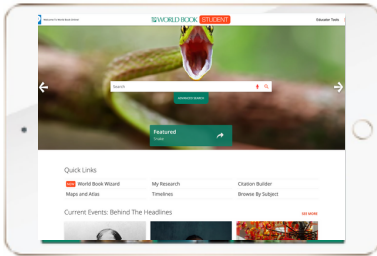

Designed to help young learners build vocabulary, comprehension, phonics, and reading fluency.

 **Kids**

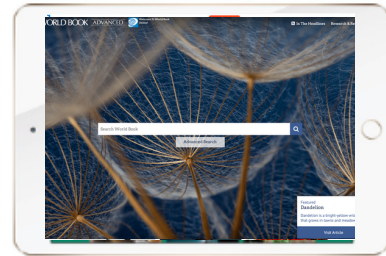

An ideal learning resource for elementary-aged students designed to build confidence and encourage creativity.

 **Student**

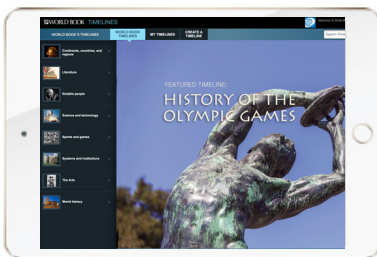

Tailored for students in elementary and middle schools, designed to enhance the research process and increase student engagement.

 **Advanced**

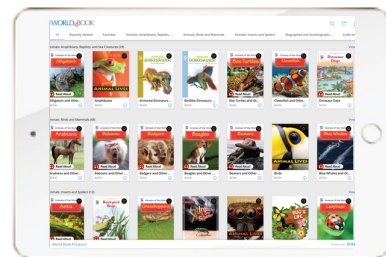

A powerful reference tool that gives high school students and adults a reliable source to check the facts.

 **Timelines**

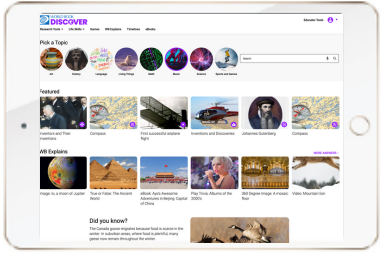

A customizable collection of more than 650 visual representations spanning the arts, science, history, and more.

 **eBooks**

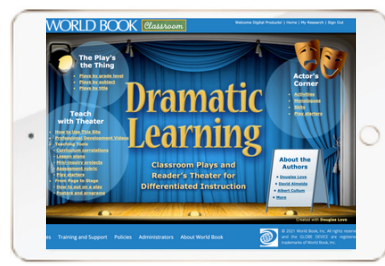

Collection of highly illustrated, engaging titles from World Book—plus over 2,000 classic novels—that support curricula at every reading level.

Discover

Ideal for reluctant readers, ELL, ESL, and adult literacy students with content tailored for ease of comprehension and vocabulary building.

Dramatic Learning

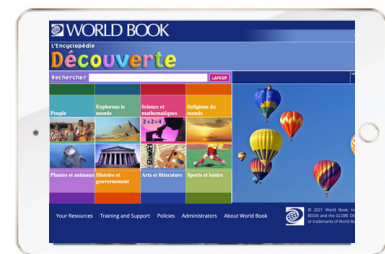

A collection of literature's most famous plays and reader's theater for differentiated instruction that allows students to fully engage in storytelling.

Activity Corner

Thousands of cross-curricular, low-cost, fun, and engaging projects & crafts suitable for a wide range of skill levels, ages, and instructional goals.

L'Encyclopédie Découverte

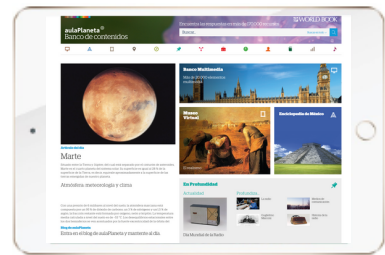

French-language database that integrates with Kids, contains easy-to-read articles, thousands of images, and additional activities.

Enciclopedia Estudiantil Hallazgos

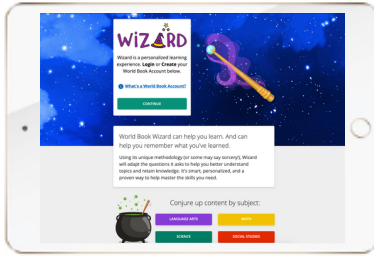

Integrates easily into the curriculum for young Spanish-speaking students and those learning Spanish as a second language.

Banco de Contenidos aulaPlaneta

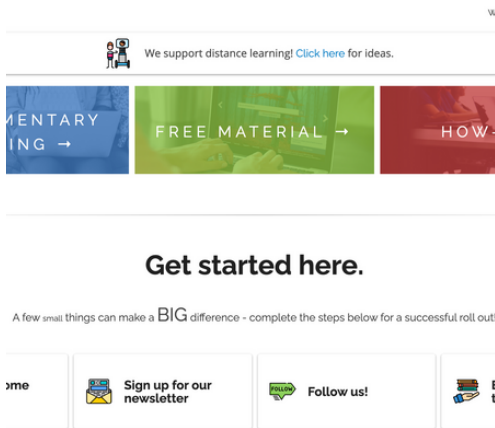

Upper-level Spanish language database intended for high school students through adult learners. Perfect for use alongside Student and Advanced.

 **Wizard**

An adaptive learning platform and progress monitoring tool with a comprehensive set of curriculum-based drills for K-8 covering all four core subject areas.

Instant access to support materials to help you get the most out of your subscription. Inside our training guide, you'll find:

- Weekly public webinars covering timely topics.
- Free promotional material - social media posts, bookmarks, letters to distribute, and more!
- Feature-specific tutorial videos and how-to pages.
- An entire site devoted to distance-learning. Includes lesson plans and ideas for use at home.
